## ATTN: KSIS Points of Contact in Professional Growth & Effectiveness System (PGES) Field Test Districts

The KY Student Voice Survey will be field tested March 4<sup>th</sup> through March 12<sup>th</sup>. The survey will be conducted through the Infinite Campus Student Portal in Elementary, Middle and High Schools.

To prepare, each school **must have** the Infinite Campus Student Portal activated and every student who is being surveyed **must have** an active Infinite Campus Portal account. Most districts/schools already have the portal set up and students already access; however, if there are school(s)/student(s) in your district without access, you **must** ensure this is completed **by February 25, 2013**. These actions are expected to be completed in a timely manner by each of the field test schools in order to guarantee the smoothest experience possible during the field test.

If you need direction in enabling the Infinite Campus Portal or creating portal accounts, access the Infinite Campus Community Knowledge Base and search for *Establishing Portal for School* and *Establishing Portal Accounts*. You may view the section on the Portal by clicking the following link: https://community.infinitecampus.com/kb/pages/viewpage.action?pageId=6127788

If further direction is needed in enabling the Portal or creating accounts to access the Student Portal, please contact Infinite Campus Support at (888)-461-2004.

NOTE: You are receiving this message because you are listed as a KSIS Point of Contact in a participating district. If you are not the right contact, please forward to the appropriate person in your school or district. KSIS Points of Contact are posted <a href="https://example.com/here/besset/">here</a>.

More information about the PGES Field Test is available online, click here.
